

ASHERN CENTRAL SCHOOL

GRADE 5 & 6 SCHOOL SUPPLIES

In lieu of a school supply shopping list, we will be charging **\$60 per student** (which works out to only \$6 per month) for school supplies. This fee covers items such as scribblers, loose-leaf, duotangs, pencils, art supplies, and more.

There are a multitude of benefits to this, including:

- All students have the same supplies, making classroom organization more manageable.
- Class time is not wasted figuring out what belongs to whom or comparing who has the "best" pencils, binders, etc.
- As supplies are used up, we replace them, which means no extra costs for families throughout the year.
- Parents do not have to spend time shopping around to find exact items on supply lists.
- What we can't buy locally, we can buy in bulk and get the best deals as stretching your school supply dollars benefits us, too.

These fees can be paid by cash or cheque (made payable to Lakeshore School Division) and is due by September 30, 2023.

Each student will also need to bring the following items:

- Reusable water bottle
- Pair of indoor shoes
- Backpack
- Lunch kit
- 1 box of Kleenex
- Deodorant for gym class
- Gym clothes are optional, but strongly encouraged.

Thank you,
Mrs. Kosolowski
