

Who is Eligible?

Children are eligible for coverage if they are:

- a) more than 6 months old;
- b) less than 27 years old; and
- c) live in Canada, except the province of Quebec.

If a child is 14 years old or older at any time during the Coverage Period, they must be a full-time student within the 12 months prior to any claim. We define a full-time student as being enrolled in a minimum of 3 courses at the same time, during any 4-month period.

If you have children enrolled in different schools or school boards, they may all be insured under one policy.

Protect your loved ones 24/7 with student accident insurance

Get the financial protection your family needs. If your child is involved in an accident, whether at school or during non-school hours, insuremykids® protects your family from the resulting expenses, which are not normally covered under your government health and group insurance plans.

3-Year & 5-Year Plans

Save time and money!
One quick purchase is all it takes to get multiple years of coverage!

Are you sure your child is covered?

Government health plans and employment plans offer limited coverage. We help to fill in the gaps.

The Platinum Plan - our best selling plan - only \$42/year

For only \$42.00 a year, the Platinum Plan offers our best value in 24/7 accident insurance coverage. Plus, it is our only plan to offer out-of-province emergency medical coverage (up to \$200,000) plus other travel benefits.

How much of a difference can Student Accident Insurance really make?

Example: A 12 year-old was riding a bike. The student fell over the handle bars, fractured a wrist and cracked several teeth.
