

Grade 5/6

2024-2025 Supply List

This year some items will be ordered through the school in bulk to save families money and some items will need to be purchased and brought to school on the first day. As a result, please bring \$30 on the first day of school to cover the bulk supplies. The school will be purchasing (pocket folders, duo-tangs, pens, pencils, erasers, dividers, loose leaf, sharpies, highlighters, etc).

Please purchase and/or bring the following:

- Inside running shoes
- Gym clothes (sweatpants or shorts, t-shirts, deodorant, extra socks, in a hanging cloth bag)
- Reusable water bottle with a hook or loop (we have hooks on side of our desks to hold water bottles)
- 2 Non-Zip Binders (1")
- 1 Twin Pocket Folder (design of your choice - will be used as a personal catch-up folder).
- Pencil case
- Pencil sharpener with cover
- Something to color with (pencil crayons/markers)
- Earbuds (basic and inexpensive) – encouraged to reuse last years
- Grade 5's = Small Journal/Diary with Lines (Dollarama has good deals!)
 - Grade 6's = Encouraged to reuse from last year!
- Grade 5's = Coil Bound Sketch Pad 9x12 (Dollarama has good deals!)
 - Grade 6's = Encouraged to reuse from last year!
- 2 Tissues Boxes

Please refrain from sending toy type supplies as they take up space and are distracting during learning time. Please have name on all supplies but please do not put subject labels on anything.

I recommend a few items can be found and cheaper at Dollarama or Walmart then try Staples. The Pharmacy in Ashern also has supplies.

Thank you kindly,

A handwritten signature in black ink that reads "Ms. Bittnek".
