FISHER BRANCH COLLEGIATE

June 28th, 2024

Dear Parent/Guardian:

Your child has registered for Grade 11 Applied Math for next school year. This course requires a Graphing Calculator. We use the TI-83 Plus. The TI-84 Plus is also acceptable. TI stands for Texas Instruments.

If you are going to purchase the calculator, do not purchase any other calculator than the 2 that are stated above. They are very confusing to figure out at first and there will be no time to figure out any other calculator than the ones listed above.

As the calculators are expensive to purchase, around \$130, the school will provide the opportunity to rent one. We have around 25 that are available to rent.

If you are interested in renting a graphing calculator from the school, please fill out the attached rental agreement form. The school is also asking for a cheque for \$100. This cheque will not be cashed unless your child breaks the calculator. If the calculator is returned in good working condition, your cheque will be returned to you. If your child loses or damages the calculator, your cheque will be cashed to cover replacement. Make the cheque out to "Lakeshore School Division".

The school does not provide batteries for the calculator. Your child must provide 4-AAA batteries.

If you are renting a calculator, please bring batteries, rental form, and cheque on the first day of school, September 4th. We use the calculator starting on day 1.

If you have any questions, you can email me at gislasd@lakeshoresd.mb.ca over the summer.

Sincerely,

A handwritten signature in black ink, appearing to read 'Donna', written in a cursive style.

Donna Gislason

**APPLIED MATH GRAPHING CALCULATOR
RENTAL AGREEMENT
2024/25**

Student's Name: _____

Parent's Name: _____

Teacher's Name: Donna Gislason

Rental terms for the TI-83 Plus graphing calculator from Fisher Branch Collegiate:

1. Signed rental agreement.
2. Cheque for \$100 to "Lakeshore School Division".
3. Will provide 4-AAA batteries.

If the calculator is returned on June 13th, 2025, in good working condition, your cheque will be returned to you. If your child loses or damages the calculator, the cheque will be cashed to cover replacement.

I agree to the rental agreement and know that it is my child's responsibility to take care of the calculator.
