Grade 7/8 Supply List

When ACS students are in grade 5 and 6 students must provide a one-time school supply fee in which their teachers provide all supplies needed for the whole school year. Once students transition into grade 7 and 8 our school supply system switches. It is now up to families to provide the below listed items. We ask that students bring these items to school with them on the first day of school, so they are prepared and ready to learn!
