Dear Parents and Guardians,

Welcome to Grade 1! I am very excited to have your child in my class this year and I look forward to a fun and successful school year together.

Please note that this year school supply lists are being sent home, and parents/guardians are responsible for purchasing the required supplies and having them brought to school on the first day with their child.

We kindly ask that ALL supplies be clearly labelled with your child's name, except for duo tangs, as those will be labelled by the teacher.

Please also be aware that if your child runs out of supplies throughout the school year, a note will be sent home asking that the missing items be replaced and sent back to school with your child. We appreciate your support with this.

We would also appreciate reminders at home about taking care of school supplies so they last as long as possible throughout the year.

Thank you for your support and cooperation. I am looking forward to a wonderful year of learning together!

Sincerely,

Ms. Meisner
