ALTERNATIVE EDUCATION TEACHER

Lakeshore School Division invites applications for a 70% middle years term position in the Flex Program, commencing September 02, 2025

Lakeshore School Division is a small school division with big ideas. We believe that we can create thriving communities and individuals through education. We believe that the world is changing and how we do education needs to change too. For the Flex program we are looking for an enthusiastic individual who is interested in teaching in alternative education settings and who is willing to 'think outside the box'.

The Flex program is an alternative K-12 school that creates flexible programming for students that includes elements of remote learning, synchronous online instruction, in-person support and regular group activities. The teacher will work with a small team supporting students online and in-person at various locations with the regular place of work being Inwood School. All positions require the teacher to be on-site when the students are in-person as well as for all admin and PD days. Requests for remote work will be assessed on a case-by-case basis as per our regulations and procedures and any approved requests may be changed without notice at the sole discretion of the division.

The successful candidate will possess or be eligible for a permanent Manitoba Teaching Certificate unless no qualified candidates apply. Please forward your letter of application, resume, and three references to:
