3.B. EARLY IDENTIFICATION

Policy Reference: EL-1.1

Reviewed by Committee: November 4, 2014, November 28, 2023

Lakeshore School Division shall:

- Make early identification procedures such as divisional and school-based procedures for Kindergarten Registration available to parents, other community agencies and government departments for the identification of early learning needs that includes screening from K to Grade 4
- Involve parents, other community agencies and government departments in early identification and intervention processes
- Request information from parents that is relevant to planning and implementing their children's educational programming upon school entry
- Determine the screening tools and assessment procedures to be used in early identification
